House No. 1, HIG Block, Housing Board Colony,
District Rewari, Haryana.
Memo No.

1191

Dated

19/X/16

Subject: -

Approval of building plans of High School site measuring 4.945 acres (Licence No. 15 of 2010 dated 12.02.2010) in the sector-6 & 7, Rewari Developed by Uddar Gagan Properties Pvt. Ltd. & Others.

Reference your application dated 15.01.2016 & 14.10.2016 for permission to erect the buildings over an area measuring 4.9456 acres (Licence No. 15 of 2010 dated 12.02.2010) in the sector-6 & 7, Rewari Developed by Uddar Gagan Properties Pvt. Ltd. & Others.

Permission is hereby granted for the aforesaid construction subject to the provisions of the Punjab Scheduled Roads & Controlled Areas Restriction of Unregulated Development Act, 1963 and its rules the zoning plan framed there under alongwith special reference to the following conditions:-

1. That the plans are valid for a period of 5 years subject to validity of license. However, as per the amended provision of section 3(3) (a) (iv) of the Haryana Development & Regulations of Urban Areas Act, 1975, you shall construct and obtain the occupation certificate of the building before 03.04.2018 as per the permission for transfer and extension of time period for construction granted vide DGTCP office memo no. LC-901(iv)-PA(SN)-2016/21995 dated 13.10.2016, otherwise as per the above said provision, the site of the ^{High} ~~Masjid~~ school shall vest with the Government.
2. That structural design of the building shall be carried out in accordance with the provisions of NBC and relevant I. S. Code.
3. You will get the setbacks of your building (s) checked at plinth level and obtain a DPC certificate before proceeding with superstructure.
4. The responsibility of the structural design and the structural stability of the building block against earthquake etc shall be solely of the Architect/owner.
5. A certificate from a recognised structural engineer as per provisions of Rules made under Act no 41 of 1963 and proof of consultant shall be submitted in this office within 60 days of issuance of this letter that the structural design of the building is designed as per the provisions of NBC and relevant Code for all seismic load, all dead and live loads, wind pressure and structural safety from each earthquake of the intensity expected. As per provision of Rule 39(d) a set of structural drawings (for record) shall also be submitted alongwith above certificate.
6. The required open parking around building shall be metalled and properly organized.
7. The building shall be designed for appropriate seismic loads, all dead and live load, wind pressure etc. as per relevant I.S. Code and NBC standards. In all cases, normal strengthening to assist distress during earthquake shall be provided.
8. All material to be used for erection of building shall conform to I.S.I and NBC standards.
9. No walls/ceiling shall be constructed of easily inflammable material and stair cases shall be built of the fire resisting material as per standard specification.
10. No addition/alteration in the building shall be made without the prior approval of this office. Further, only figured dimensions shall be followed and in case of any variation in the plans, prior approval of this office shall be a pre-requisite.

11. FIRE SAFETY:-

The applicant firm shall also prepare and submit the plans in triplicate to E.O, MC Rewari clearly marked and indicating the complete fire protection arrangements and means of escape/ access for the proposed building with suitable legend and standard signs.

On receipt of the above request the E.O, MC Rewari after satisfying himself that the entire fire protection measures proposed for the above buildings are as per NBC and other Fire Safety Bye Laws, and would issue a NOC from Fire Safety and means of escape/access point of view. The clearance/NOC from Fire Authority shall be submitted in this office along with a set of plans duly signed by the, E.O, MC Rewari within a period of 90 days from the date of issuance of sanction of building plans. Further, it is also made clear that no permission for occupancy of the building shall be issued by E.O, MC Rewari unless he is satisfied that adequate fire fighting measures have been installed by you and suitable external fire fighting infrastructure has been created at Rewari, by E.O, MC Rewari. A clearance to this effect shall be obtained from the before grant of occupation certificate.

12. No person shall occupy or allow any other person to occupy the new building or part of the same for any purpose whatsoever until such building or part thereof has been certified by the Director General or any person authorized by him in this behalf as having been completed in accordance with the permission granted and an occupation certificate in prescribed form has been duly issued in your favour.
13. If any infringement of bye-laws remains unnoticed, the Department reserves the right to amend the plan as and when any such infringement comes to its notice after giving an opportunity of being heard and the department shall stand indemnified against any claim on this account.
14. In case of buildings having more than four storey or more than 15 mts. height lifts with 100% stand by generators along with automatic switch gear would be essential. Installation, maintenance and safety measures of the lifts need to be ensure as per required by the respective competent authority.
